

# CSA VACATION RENTAL INSURANCE

## Security Deposit Protection Documentation

(Underwritten by Stonebridge Casualty Insurance Company)

Dear Guest,

Welcome! We are pleased to have you as our guest, and we are committed to providing an outstanding vacation experience.

### Please use this form to:

1. Document any damage you discover at the property at the time of check-in. It's important to let us know as soon as you discover the damage. This will document pre-existing damage so you won't be responsible for it.
2. If you purchased CSA Security Deposit Protection coverage, use the attached page to report any damage that occurred during your stay (don't be afraid to report the damage – that's why you bought insurance!).
3. Please be reminded that any benefits under this program have been assigned by you to your Property Management Company

Part 1: The following damage was noted at the property when I checked in:

---
